Dear President Stewart:

Give 321-5654

Accompanying is a contribution in support of the Building Fund. While the high priority given to this project is appreciated, may I suggest that programs for encouraging the participation of youths in the Association should also be actively fostered.

I hope that the resources of the Board can be mobilised soon for the recognition of, and award of prizes or scholarships to outstanding students selected from those identified by the membership. I would like to contribute to such awards.

Last year, arrangements could not be made before the season ended but it is hoped that this summer, probably in July, JCA can be persuaded to promote a visit to a golf driving range for up to 10 students as outlined below:

{ The visit to the range will provide an introduction to golf for up to 10 students, age 10 to 15 years, to be selected by JCA. }

The outing should be considered a part of a JCA recreational and educational program for youths and will be held during the summer vacation period. At this time, an afternoon in July seems possible.

COVER SHEET

JCA will develop the criteria for selection and will select the students for the outing.

The proposed location of the range is at 3750 Midland Avenue, near Midland and McNicoll, in Scarborough. The expected duration of the outing will be about 2 to 3 hours.

JCA and/or parents and guardians will arrange for students to attend at the driving range at a time to be specified.

Adults to assist with supervision will be welcome.

I will be responsible for the arrangements and costs for a golf instructor for a 1-hour group lesson, equipment and golf balls for practice driving at the range.

If necessary, I shall be willing to discuss this proposal with your coordinator.

Best wishes for continued success for you and your Board.

Very sincerely,

Fred Debidin
